Whitefield
31st August, 1910.

From,

M. E. Upshon, Esq.
Pound-Keeper of Whitefield
(Superintendent of Jails Retd.
Chairman, Whitefield
Settlers' Association).

To,

The Chief Secretary to the
Government of H. H.
The Maharajah of Mysore
Revenue and Public Dept.

1896-10

Sir,

8(1)

I have the honour to bring before you, in the public interest, the following matter in the hope that it may be found convenient that early steps be taken to carry out what has been so long delayed.

For many years the settlers and residents were urging for the location of a cattle-pound in the Whitefield settlement and only last year on one of the settlers consenting to do the duties of Pound-Keeper the Deputy Commissioner was kindly pleased to accede to their request and the pound was opened.

That-

3. That the pound is doing good work and has been efficiently managed. Since it was opened it is abundantly testified to and the natives of villages situated at a great distance from Whitefield have on several occasions availed themselves of the advantages of the Whitefield pound in preference to those nearer at hand.

Capt. G. W. Eale, I.S.M.D. (Rtd) was the first pound keeper and on his death H. M. Bond, Esq. Assistant Engineer, Madras P.W.D. (Retired) acted for a short time, when I took up the duties at the urgent request of the settlers. I have had considerable experience in the matter of cattle-pounds in my capacity as Superintendent of Jails in several districts of the Madras Presidency.

The working of the pound at Whitefield has so far been eminently satisfactory and the collections in pound fees from ~~December~~ October 1909 to 31st July 1910 are Rs 84-10-0 and the feeding charges Rs 8-11-0 making a total

a total of Rs 73-5-0

The matter of complaint is that no facility has been offered in remitting the collections. You will readily admit that it cannot be expected of me as pound-keeper to attend with the collections and books monthly at the Amildar's office. On a single occasion the Shambhoge of Haggadur was directed to convey there to the Amildar's Office, but subsequently this arrangement was cancelled and I have to send a messenger every month whose travelling expenses, batta and remuneration I have to meet. On one occasion the messenger returned with the report that the clerks in the Amildar's Office would not receive the money nor check the books owing to the Amildar being away from office. The per-centage due on pound fees and the feeding charges have not been paid since the opening of the pound and no reply has been received to repeated representations made on the subject. A feasible suggestion

of

of remitting the collections by Money Order after deducting the percentage and the feeding charges made to the Deputy Commissioner has not received any attention up to date, so that the man whom I employ for the purpose of attending to the pound has not yet received any remuneration from the pound fees, and the money spent by me for feeding charges has not been yet recovered.

I have therefore the honour to request that you will be pleased to give this matter your kind and early attention so that some plan may be devised without infringing the rules by which the grievance complained of may be rectified. The duties of pound-Keeper were taken up by myself and my predecessors in the public interest and as a labour of love It is not too much therefore to expect that persons of our standing should be afforded some facility in

carrying

carrying out this virtually honorary duty to the small esctent indicated above in the matter of the remitting of the Pound fees monthly

Awaiting your early reply,

I have the honour to be, Sir,

Your Most Obedient Servant

T. Ellyshon.

Sir,

With reference to your docket No: 2818/LB 96-10-2 dated 20th September 10, calling for a report on the representation of the Chairman of Whitefield Settlers' Association regarding the payment of Commission and feeding charges due to the Pound keeper at Whitefield, I have the honor to state as follow

2. The Pound keeper of Whitefield addressed a letter to this office on 7th May 1910, stating that Commission on Pound Collections and feeding charges of the Pound were not paid to him since the establishment of the Pound, that the

Collections

collections sent by him on the
5th May 1910 to the Taluk office
for credit to the Treasury were
not received by the Taluk offi-
cials owing to the absence of the
Amildar in the office and that
permission be granted to him
to remit the collections by money
order after deducting the per
-centage Commission and feeding
Charges. The above letter was
forwarded to the Amildar
of Bangalore Taluk for report
In reply he has stated that
if any person had brought
the Pound collections for credit
to the Treasury on 5th May 1910,
as stated by the Pound Keeper
there would have been no objec-
-tion to receive the same for
credit and that on the above
said date no body brought
any pound collection from
Whitefield. It is reported that
the pound in question was
opened in October 1909, and
Collections from the said pound

be pa

began to be recorded from
March 1910 Thus the total Cat
tle from till the end of Novem
ber 1910 amounts to Rs 81-13-0 (Fine
Rs 73-4-0 + feeding charges Rs 8-9-0)
the details of which are noted
in the accompanying Vernacular
records. The Pound Keeper is
entitled to 20% Commission on
Rs 73-4-0 and feeding charges
Rs 8-9-0 which have not been
paid since the opening of the
Pound The bills here pending
in the Taluk and have been now
received There ~~bills~~ will be
passed and payment made
early

3. As regards the facility
prayed for by the Pound Keeper
to remit the Collections by
Money order after deducting
the Commission etc due to him,
the rules on the subject do not
permit of that practice being
allowed The Pound Keeper
should remit all Collections
into the Treasury and receive
his Commission on submitting

Sir,

It is with the greatest reluctance that I am compelled to bring the following matter to your kind notice and I beg you will be pleased to give it your kind attention so that early orders may issue in reference to the matter complained of.

I beg to state that after repeated applications made during several years a cattle pound was eventually opened in Whitefield in October, 1909, and the settlers of Whitefield as well as the ryots of villages near and far appreciate the boon that has been conferred on them by the location of

a Cattle pound in White
field.

In the public interest I have undertaken the duties of pound keeper and the proceeds from fines and feeding charges have been regularly remitted month by month to the Treasury. To enable me to carry on the work I have undertaken a muleé has to be engaged and I regret to have to bring to your notice that since October 1909 nothing has been paid me towards the 20% of fines collected and the feeding charges the amount of the former from Oct 1909 to 31st March 1911 is Rs 5-14-0, and the feeding charges are Rs 12-12-6 making a total collection of Rs 98-10-6.

I beg to state that all the authorities concerned have been addressed on the subject but with no result. The Amildar of the Bangalore Taluq has been approached, the Asst Commissioner approached verbally, the Deputy Commissioner of the Bangalore District has also been referred to and the Chief Secretary to Government has been addressed on three several

occasions in August and December 1910 and on 22nd March 1911.

You will readily perceive that the delay in paying the make fee monies refunded and fodder supplied must militate against the efficiency of a work done purely in the public interest and I therefore beg to request that you will be kindly pleased to direct that this matter receive early attention, so that the arrears due from October 1909 may be paid without any further undue delay.

I beg to remain,
